I didn't know how to tell my children there wouldn't be honey this year. When the box came, I cried. You gave us back the feeling of being 'normal.'

It's not just what you gave me. It's what I got back: my family, at my table, for the Chag.

Sometimes I don't want to invite friends because I am embarrassed we don't have enough food. This time I invited my best friend and it was so much fun!
